

# Novajet™ Multipurpose Self-adhesive Labels

In a variety of shapes and sizes for use on inkjet & laser printers

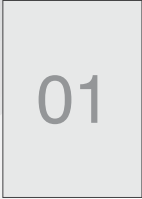

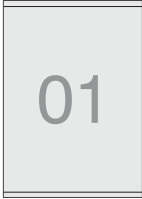

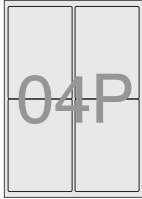

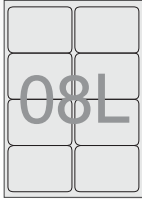

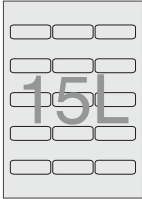

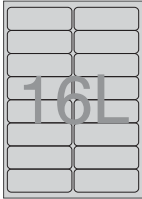

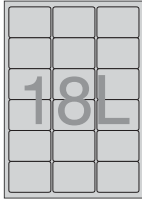

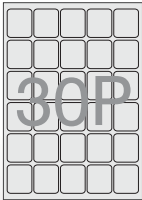

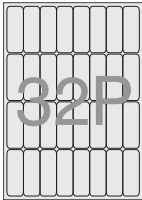

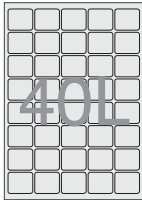

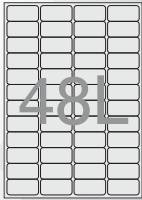

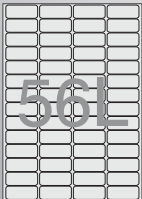

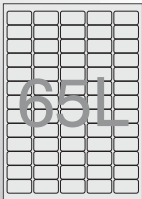

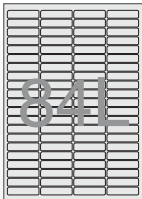

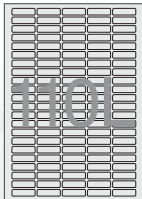

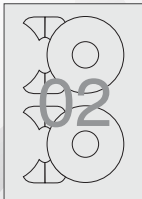

## Features & Benefits

- No toner flaking or ink smudging & hence a sharp image can be obtained.
- High Quality water based adhesive can withstand high temperature of laser printer.
- Bright white matte finish on the paper ensures crisp text and high readability
- Round corner on the label helps to peel easily from the liner and give it a perfect look when pasted.
- Good lay flat compatibility liner.
